

INVADE

WAREWASHING PRESOAK

FEATURES

- CONCENTRATED FORMULA
- NON-FOAMING
- LOOSENS SOILS QUICKLY

PRODUCT DESCRIPTION

INVADE is a high quality institutional utensil presoak. It softens and loosens the toughest food soils for easy removal in the dishmachine. Due to special water conditioning agents, **INVADE** gives excellent results in all water conditions.

AREAS OF USE

For use in institutional warewashing.

USE DIRECTIONS

Dispense **INVADE** directly from its shipping container using an automatic liquid dispensing system. The authorized representative servicing your facility will establish a program suitable for your individual requirements.
